

Dear Business Owner:

The Phelps Community Center is a non-profit organization. We provide programs and services to the community and so much more. We are excited to start our 10th year with our Dance Program. This program is utilized by children ages 2 -18 in the Finger Lakes area. The dancers are raising money to help pay for their tuition fees, dance shoes and recital costumes. Please consider donating and helping our amazing dancers and our program. Since we are a non-profit organization, you will receive a form to use for tax purposes.
